

# NUR2 519. NURSING CLINICAL SKILLS LABORATORY 3.

---

Credits: 1

Offered by: Ingram School of Nursing (Ingram School of Nursing)

Terms offered: Summer 2025

[View offerings for Summer 2025 in Visual Schedule Builder.](#)

## Description

Illness management clinical technical skills, including risks and patient safety issues associated with the procedure; the infection prevention and control guidelines required to perform the skill; fine and gross psychomotor skills relative to performing the procedure; and sensitivity to the patient experience related to the procedure.

- Corequisite: NUR2 512
- A nominal fee of \$107.25 is charged to all nursing students who register in courses where clinical skills are taught to students in the Nursing Learning Laboratory. The fee is for clinical skills kits that students will use during their training in the Nursing Learning Laboratory. The kits also contain additional materials for students to take with them after the training to allow them to practice the skills they learn on their own.
- \*\*Due to the intensive nature of this course, the standard add/drop and withdrawal deadlines do not apply. Add/drop is May 6th and withdrawal is May 9th.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
