

NUR2 591. INTRODUCTION TO GRADUATE PRACTICE.

Credits: 4

Offered by: Ingram School of Nursing (Ingram School of Nursing)

This course is not offered this catalogue year.

Description

This course provides an opportunity for international students with an undergraduate degree in Nursing to be introduced to advanced practice nursing roles within a variety of clinical settings. Students will acquire the knowledge, skills and values necessary for advanced practice nursing through exposure to preceptored clinical experiences. This clinical experience will help students to develop clinical reasoning and judgment in complex clinical situations.

- Restriction(s): Restricted to students in the Qualifying MScA in Nursing.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
