

NUR2 607. CHILDREN'S NURSING

Credits: 3

Offered by: Ingram School of Nursing (Graduate Studies)

This course is not offered this catalogue year.

Description

This course aims to understand the biological, psychological, and sociocultural perspectives of children 0-18 years and their families using a strength-based nursing framework. This course will go beyond the traditional developmental approach to nursing children and will explore new ways of thinking about their care.

- Corequisite(s): NUR2 609

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
