## Description

Supervised clinical experiences in health care agencies are aimed at developing competence in technical and family nursing skills at an advanced level. Experience is determined on an individual basis according to learning needs and the student's area of interest.

- \*\*Due to the length of the clinical course, add/drop is the eleventh lecture day and withdrawal is the fifteenth lecture day.
- \*\*In order to secure placement in clinical courses and internships, the add/drop is March 28th which is before the start of the course, and withdrawal is May 9th which is the first day of class.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
