---

Credits: 1

Offered by: Ingram School of Nursing (Graduate Studies)

Terms offered: Summer 2025

[View offerings for Summer 2025 in Visual Schedule Builder.](#)

## Description

This laboratory course addresses illness management clinical technical skills and is the companion course to NUR2 616. Students develop a range of clinical technical skills related to the GI, urinary, integumentary systems as well as resuscitation and emergency skills.

- Corequisite(s): NUR2 616, NUR2 621
- A nominal fee of \$121.19 is charged to all nursing students who register in courses where clinical skills are taught to students in the Nursing Learning Laboratory. The fee is for clinical skills kits that students will use during their training in the Nursing Learning Laboratory. The kits also contain additional materials for students to take with them after the training to allow them to practice the skills they learn on their own.
- \*\*Due to the intensive nature of this course, the standard add/drop and withdrawal deadlines do not apply. Add/drop is May 2nd and withdrawal is May 5th.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
