

NUR2 630. RESEARCH PROJECT 1.

Credits: 3

Offered by: Ingram School of Nursing (Graduate Studies)

This course is not offered this catalogue year.

Description

Development of a proposal for a nursing related clinical project under the supervision of a Faculty member of the Ingram School of Nursing. Introduction to research proposal writing, including the framing of research questions, the selection of methodological approaches, the consideration of ethical principles in the conduct of research, as well as the development of realistic and feasible expectations for developing a project within limited time frames.

- Prerequisites: NUR2 612

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
