

NUR2 672. REASONING IN PRIMARY CARE 3.

Credits: 4

Offered by: Ingram School of Nursing (Graduate Studies)

This course is not offered this catalogue year.

Description

Decision making/problem solving in the follow-up of both chronic stable medical conditions in the following body systems: neurological, muscular, rheumatologic, and peripheral vascular. Familiarity is achieved and competence in recognizing conditions in these same bodily systems that present acutely in undifferentiated patients.

- Prerequisites: NUR2 670 and NUR2 671
- Restriction: Open only to students enrolled in the M.Sc.(A.) in Nursing (primary care nurse practitioner specialization) or the Graduate Certificate in Theory in Primary Care.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
