

NUR2 673. REASONING IN PRIMARY CARE 4.

Credits: 4

Offered by: Ingram School of Nursing (Graduate Studies)

This course is not offered this catalogue year.

Description

Decision making/problem solving in the follow up of both chronic stable medical conditions in the following body systems: cardiac, respiratory, and gastrointestinal. Familiarity and competence is achieved in recognizing conditions in these same bodily systems that present acutely in undifferentiated patients and knowing their appropriate disposition.

- Prerequisite: NUR2 672
- Restriction: Open only to students enrolled in the M.Sc.(A.) in Nursing (primary care nurse practitioner specialization) or the Graduate Certificate Theory in Primary Care

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
