

NUR2 675. REASONING IN PRIMARY CARE 6.

Credits: 4

Offered by: Ingram School of Nursing (Graduate Studies)

This course is not offered this catalogue year.

Description

Decision making/problem solving in the acute presentation of illness as well as the follow up of chronic stable disease in the musculoskeletal and dermatological systems. Students also learn about illness affecting the eyes, ears, nose, and throat and geriatric issues to complement previous teaching on the subject.

- Restriction: Open only to students enrolled in the Graduate Diploma Primary Care Nurse Practitioner program.
- **Due to the intensive nature of this course, the standard add/drop and withdrawal deadlines do not apply. Add/drop is the third lecture day and withdrawal is the sixth lecture day.
