

NUR2 705. PALLIATIVE CARE.

Credits: 3

Offered by: Ingram School of Nursing (Graduate Studies)

This course is not offered this catalogue year.

Description

The concept of whole person care and its importance in caring for people with a life-threatening illness will be explored. Various aspects of the person, different contexts, and different types of research will be integrated and reflected upon to determine changes required in practice, policy, and research.

- Note: Required for the Psychosocial Oncology Option for PhD students in the School of Nursing and Dept. of Psychology. Other PhD and Master's students are welcome to join.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
