

NUR3 646. ADVANCED ADULT HEALTH ASSESSMENT.

Credits: 6

Offered by: Ingram School of Nursing (Graduate Studies)

This course is not offered this catalogue year.

Description

Examination and application of advanced physical assessment skills and techniques. Emphasis on history taking and interpreting assessment and diagnostic data, including practice of skills in oral and written communication with patients, families and health care colleagues.

- Prerequisites: NUR3 643, NUR3 644
- Restrictions: Not open to students who have taken NUR2 648.
- A nominal fee of \$78.01 is charged to all nursing students who register in courses where clinical skills are taught to students in the Nursing Learning Laboratory. The fee is for clinical skills kits that students will use during their training in the Nursing Learning Laboratory. The kits also contain additional materials for students to take with them after the training to allow them to practice the skills they learn on their own.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
