

NUR3 647. REASONING IN ADULT CARE 4.

Credits: 6

Offered by: Ingram School of Nursing (Graduate Studies)

This course is not offered this catalogue year.

Description

Examination of illnesses and diseases of the adult through the development of case studies using a case/inquiry-based approach to learning. Generation of a nursing/medical plan of action in response to commonly presenting health/illness issues, based on best available evidence.

- Prerequisite: NUR3 645
- Restrictions: Not open to students who have taken NUR2 688.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
