

NUR3 657. MENTAL HEALTH INTERNSHIP 2.

Credits: 12

Offered by: Ingram School of Nursing (Graduate Studies)

This course is not offered this catalogue year.

Description

Clinical training in the assessment and management of psychiatric illness, including psychiatric outpatient, inpatient, and emergency care units, to complete required clinical encounters, including assessment, interventions and evaluations. Emphasis is on facilitating an ability to recognize the required psychiatric conditions and the pathology associated with these conditions and to develop longitudinal management plans that encompass biopsychosocial understanding of the conditions and address urgent and emergency situations.

- Prerequisites: NUR3 699, NUR3 693 and NUR3 694
- Restrictions: Not open to students who have taken NUR2 656.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
