

# NUR3 659. ADULT CARE INTERNSHIP 2

---

Credits: 11

Offered by: Ingram School of Nursing (Graduate Studies)

This course is not offered this catalogue year.

## Description

Further integration of theoretical knowledge with practical skills in the in-patient and specialized clinical settings, the focus will be on applying and consolidating a variety of clinical skills and techniques, including obtaining a comprehensive history, performing an advanced physical assessment, determining differential diagnoses, requesting diagnostic exams and techniques, suggesting therapeutic options, implementing interventions and determining desired outcomes in the adult population. The emphasis will be on role development, clinical judgement, critical thinking, collaboration, professional roles and responsibilities, communication evidence based practice, professional autonomy, and leadership.

- Prerequisite: NUR3 658
- Restrictions: Not open to students who have taken NUR2 658.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
