

# NUR3 670. REASONING IN PRIMARY CARE PRACTICE 1.

---

Credits: 4

Offered by: Ingram School of Nursing (Graduate Studies)

This course is not offered this catalogue year.

## Description

Introduction to the examination of the advanced role and responsibilities of the primary care nurse practitioner (PCNP) with an emphasis on the approach to preventive health, health promotion, illness prevention and the holistic management of acute and chronic conditions affecting patients and families across the lifespan.

- Restrictions: Open to students enrolled in the M.Sc.(A.) in Nurse Practitioner; Non-Thesis - Primary Care and/or the Graduate Certificate in Primary Care Nurse Practitioner. Not open to students who have taken NUR2 613.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
