

NUR3 694. REASONING IN MENTAL HEALTH 5.

Credits: 3

Offered by: Ingram School of Nursing (Graduate Studies)

Terms offered: Summer 2025

[View offerings for Summer 2025 in Visual Schedule Builder.](#)

Description

Advanced nursing knowledge and skills, within the scope of practice of a mental-health nurse practitioner, in the assessment and management of medical illness and somatic symptoms in psychiatry and to introduce basic psychotherapy concepts. Recognition of the pathology associated with these conditions and development of longitudinal management plans that encompass biopsychosocial understanding of the conditions and address urgent and emergency situations.

- Prerequisites: NUR3 693
- Restrictions: Not open to students who have taken NUR2 694.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
