Credits: 8

Offered by: Human Nutrition (Graduate Studies)

Terms offered: Summer 2025, Fall 2025, Winter 2026

View offerings for Summer 2025 or Fall 2025 or Winter 2026 in Visual Schedule Builder.

Description

Assessment, planning, implementation, communication, and evaluation of public health and community nutrition programs for a variety of individuals and population groups. Focus is on intervention strategies and their evaluation.

- Prerequisite(s): (NUTR 513 or NUTR 603), NUTR 515, NUTR 611
- Restriction: Only open to students registered in the Graduate Diploma in Registered Dietitian Credentialing, and M.Sc.(Applied) in Human Nutrition; NonThesis - Dietetics Credentialing.
- The course NUTR 614 includes a \$128.75 fee for the working manual. The fee is essentially for printing costs and for the purchase of copyrighted material used in the preparation of the package. The fee is refundable until the end of the add/drop period as long as the manual is intact.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
