

# OCCH 627. WORK PHYSIOLOGY AND ERGONOMICS.

---

Credits: 3

Offered by: Occupational Health (Graduate Studies)

This course is not offered this catalogue year.

## Description

Provide students with basic knowledge of physiological and psychological work requirements, ergonomic approach to work-related health problems and application of this type of approach to preventive and corrective measures.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
