

# OCCH 699N1. PROJECT OCCUPATIONAL HEALTH AND SAFETY.

---

Credits: 7.5

Offered by: Occupational Health (Graduate Studies)

This course is not offered this catalogue year.

## Description

Under supervision, the student will identify an issue relevant to occupational health and report on work accomplished (i) to review the present state of knowledge and (ii) to conduct a survey and make recommendations or to devise a study proposal and to carry out a preliminary feasibility study.

- Students must also register for OCCH 699N2
- No credit will be given for this course unless both OCCH 699N1 and OCCH 699N2 are successfully completed in a twelve month period.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
