

ORGB 525. COMPENSATION MANAGEMENT.

Credits: 3

Offered by: Management (Desautels Faculty Management)

This course is not offered this catalogue year.

Description

Compensation policies and practices, consistent with motivational theories, are examined. Topics include: design and evaluation of job evaluation systems, salary structures, and performance-based pay; compensation of special employee groups; and current pay equity laws. Projects and simulations provide "hands-on" experience in the use of compensation techniques.

- Prerequisite (Continuing Studies): MGCR 222
- Prerequisite (Undergraduate): ORGB 423

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
