Terms offered: Summer 2025, Winter 2026, Summer 2026

View offerings for Summer 2025 or Winter 2026 or Summer 2026 in Visual Schedule Builder.

Description

This two-week course provides the student with basic principles of pediatric care including pediatric-specific history-taking and physical exam skills as well as approach to common pediatric problems. Through structured learning activities, clinical encounters and self-directed learning, students will develop knowledge and skills that will prepare them for Clerkship.

- Note: One half-day per week for a duration of seven weeks
- Restriction(s): Open only to students enrolled in the M.D., C.M. program.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
