

PHAR 390. LABORATORY IN PHARMACOLOGY.

Credits: 3

Offered by: Pharmacology and Therapeutics (Faculty of Science)

Terms offered: Summer 2025

View offerings for Summer 2025 in Visual Schedule Builder.

Description

This course is a two-week all day practical laboratory course where students will have the opportunity to design their own experiments, write out the experimental lab reports and learn to trouble shoot on their own.

- Restriction(s): Restricted to Pharmacology Honours students, or permission of instructor.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
