

PHGY 459D1. PHYSIOLOGY SEMINAR.

Credits: 3

Offered by: Physiology (Faculty of Science)

This course is not offered this catalogue year.

Description

Discussion of topics in mammalian, cellular and molecular physiology. Students will be required to write one essay and make at least one oral presentation per term. A final course essay is required.

- Fall
- 2 hours seminar
- Prerequisite: permission of instructors
- Required course for U3 Honours students.
- Students must register for both PHGY 459D1 and PHGY 459D2.
- No credit will be given for this course unless both PHGY 459D1 and PHGY 459D2 are successfully completed in consecutive terms

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
