---

Credits: 1

Offered by: Physiology (Graduate Studies)

Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

## Description

The Progress Seminar is a "work in progress" seminar on what the student has accomplished to date. Following completion of the comprehensive exam, the seminar should be presented to the student's supervisory committee as a formal presentation of approximately 30 minutes followed by a question and discussion period.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
