[View offerings for Winter 2026 in Visual Schedule Builder.](#)

## Description

See PHTH 301D1 for description.

- Prerequisite: PHTH 301D1 and PHTH 245; ANAT 315; PHGY 209; ANAT 316; PHGY 210; POTH 225; POTH 250. Students require a valid CPR-AED level HCP certificate before the practical work begins. Required interviews and selection process for this course will be conducted by the McGill Sport Medicine Clinic staff.
- No credit will be given for this course unless both PHTH 301D1 and PHTH 301D2 are successfully completed in consecutive terms
- Restrictions: Only open to U2 of the B.Sc.(Rehabilitation Science) students.
- Team allocation will be determined after the interview according to interview performance, availability and student interests.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
