

# PHTH 645. PELVIC FLOOR REHABILITATION.

---

Credits: 3

Offered by: Phys and Occ Therapy (Graduate Studies)

Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

## Description

This course explores the physiotherapy approach to pelvic floor disorders, with an in-depth focus on urinary incontinence. Students will understand the role of the pelvic floor in relation to urinary, sexual and ano-rectal function, and acquire the ability to evaluate and treat patients suffering urinary incontinence.

- Prerequisite: PHTH 623
- Restriction: Open to students in the MSc (A) in Physical Therapy.  
Open to other students by permission of instructor only.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
