## Description

Key contributions of political theory to the study and practice of international relations. Three prevailing theoretical traditions will be examined: realism, 'international society', and cosmopolitanism. Key practical issues to be explored from these perspectives include war, humanitarian intervention, economic globalization, environment, and gender.

- Prerequisites: A 200 or 300-level course in political theory, and POLI 243 or POLI 244
- Note: The fields are International Politics and Political Theory.
