

POLI 417. HEALTH CARE IN CANADA.

Credits: 3

Offered by: Political Science (Faculty of Arts)

This course is not offered this catalogue year.

Description

This course analyzes the theory and politics of health policy and institutions, comparing provincial models and contextualizing Canadian systems with international perspectives from the U.S. and Europe. Current health reform debates will be explored, particularly those involving federal-provincial relations, sustainable financing and the role of the state in social protection.

- Prerequisites: POLI 221 or POLI 221
- Note: The field is Canadian Politics.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
