

# POLI 447. POLITICAL ECONOMY OF MULTINATIONALS.

---

Credits: 3

Offered by: Political Science (Faculty of Arts)

This course is not offered this catalogue year.

## Description

Exploration of the economic and political behaviour of one of the most important non-state actors in the international system: multinationals. The main models in international trade, including the New New Trade Theory. The main issues related to the political economy of foreign direct investment (FDI). The impact of FDI on development as well as the role of MNCs in emerging markets.

- Prerequisite: POLI 311 or permission of the instructor
- The field is International Relations.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
