Credits: 3

Offered by: Phys and Occ Therapy (School of Phys & Occ Therapy)

Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

Description

Study and analysis of foundations for professional practice and systems which impact the role of the occupational and physical therapy professional in health service delivery settings. This course includes sections on 1) healthcare environments and systems; 2) management, safety and quality assurance; and 3) professionalism and ethics.

- Restrictions: Only open to students in the BSc(RehabSc); Major in Physical Therapy and BSc(RehabSc); Major in Occupational Therapy, students in the School of Physical and Occupational Therapy. Not open to students who have taken OCC1 546 and PHTH 570.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
