

# POTH 616. SEMINARS IN REHABILITATION SCIENCE.

---

Credits: 1

Offered by: Phys and Occ Therapy (Graduate Studies)

This course is not offered this catalogue year.

## Description

A weekly seminar course given by staff and invited speakers in different areas of research related to rehabilitation science. Students are expected to participate by reading pertinent literature prior to seminars and asking questions at each seminar. Attendance is compulsory, and the course is graded pass/fail based on participation.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
