Credits: 3

Offered by: Phys and Occ Therapy (Graduate Studies)

Terms offered: Summer 2025

[View offerings for Summer 2025 in Visual Schedule Builder.](#)

Description

Directed practical experience in a clinical setting that focuses on driving evaluations.

- Prerequisite: POTH 674.
- Restriction: This course is restricted to Occupational Therapists who have successfully completed POTH 674. It is available in both French and English and includes a 5-day intensive workshop.
- Note that a fee of \$761.25 is associated with the requirement of the on-site training at a local institution or a rehabilitation center for the practicum portion of the program.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
