

PPHS 614. KNOWLEDGE TRANSLATION AND PUBLIC HEALTH LEADERSHIP

Credits: 3

Offered by: Epidemiology and Biostatistics (Graduate Studies)

This course is not offered this catalogue year.

Description

An examination of knowledge translation in public health, including synthesis, dissemination, exchange, and ethically-sound application of knowledge to policy and programming. Overview of knowledge translation processes for effective evidence-informed public health leadership.

- Prerequisite: PPHS 612 or permission of instructor
- Restrictions: Not open to students who have taken EPIB 678 when topic was 'Knowledge Translation, Communications, and Evidence-Informed Public Health Leadership'.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
