

PPHS 624. PUBLIC HEALTH ETHICS AND POLICY.

Credits: 3

Offered by: Epidemiology and Biostatistics (Graduate Studies)

Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

Description

Critical assessment of ethical dilemmas and policy considerations raised by the practice of public health. Specific topics include: measuring and defining health; surveillance and privacy; preparedness, quarantine, and distribution of resources during a health emergency; and health inequalities.

- Restriction(s): Not open to students who have taken EPIB 624.
- Students from all disciplinary backgrounds are welcome.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
