

PPHS 630. MSCPH PRACTICUM/PROJECT.

Credits: 12

Offered by: Epidemiology and Biostatistics (Graduate Studies)

Terms offered: Summer 2025

[View offerings for Summer 2025 in Visual Schedule Builder.](#)

Description

The practicum provides the opportunity to integrate classroom learning and practice in a population or public health work environment. The student contributes to an organization's mandate and to addressing a population and/or public health problem while developing skills as a population and/or public health professional and/or researcher.

- 2. PPHS 629D1/D2, PPHS 630 or PPHS 630D1/D2, and PPHS 631D1/D2 are equivalent to the former EPIB 630 or EPIB 630D1/D2 (14 credits).
- Restriction(s): Open to students registered in the M.Sc. in Public Health.
- 1. PPHS 629D1/D2, PPHS 630 or PPHS 630D1/D2, and PPHS 631D1/D2 are required and students must complete them in sequence.
- 2. PPHS 629D1/D2, PPHS 630 or PPHS 630D1/D2, and PPHS 631D1/D2 are equivalent to the former EPIB 630 or EPIB 630D1/D2 (14 credits).
- Restriction(s): Open to students registered in the M.Sc. in Public Health; Non-Thesis.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
