Credits: 3

Offered by: Psychology (Faculty of Science)

Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

Description

Examination of research on the associations between discrimination and health, with emphases on how (1) various types of discrimination (e.g., interpersonal, microaggression, online, institutional) impact health and wellbeing and (2) various factors – rooted in individual's cultural values and beliefs – help provide resilience against the effects of discrimination.

- Corequisites: PSYC 337
- Restrictions: Open to U2 students or above

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
