

PSYC 492. SPECIAL TOPICS SEMINAR 1.

Credits: 3

Offered by: Psychology (Faculty of Science)

This course is not offered this catalogue year.

Description

These seminars are offered by special arrangement between interested Psychology staff and students. Note: A written proposal detailing the plans for the seminar must be approved by the Department Curriculum Committee before the student is permitted to register for this course.

This proposal must be received by the Departmental Curriculum Committee well before the beginning of the term for which the seminar is proposed. Consult the Departmental Handbook for additional information.

- Please see regulations concerning Project Courses.
- Fall or Winter
- Restriction: U3 students. Requires departmental approval.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
