

# RELG 376. RELIGIOUS ETHICS.

---

Credits: 3

Offered by: Religious Studies (Faculty of Arts)

This course is not offered this catalogue year.

## Description

A discussion of ethical theory will provide the background for an analysis of the relationship between religious world views and moral reason. Attention will be given to the way in which the dominant religious traditions view the exemplars of religious virtue, and to how the virtues exemplified are related to and justified by the faith tradition in which they operate.
