---

Credits: 1

Offered by: Commun Sciences & Disorders (Graduate Studies)

Terms Offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

## Description

A practical approach to basic and advanced counselling for the speech-language pathology context, with topics as follows: counseling of persons with communication and swallowing disorders, families of children with disabilities, clients who are expected to improve or deteriorate and their families. Strategies to deal with the management of special events that may arise during the treatment process including counselling issues in death and dying.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
