

SOCI 335. SOCIOLOGY OF AGING AND THE LIFE COURSE.

Credits: 3

Offered by: Sociology (Faculty of Arts)

Terms offered: Fall 2025

[View offerings for Fall 2025 in Visual Schedule Builder.](#)

Description

This class will introduce students to the growing body of interdisciplinary research suggesting social factors strongly influence healthy and successful aging. Topics will include the impact of stratification (race, class, gender), neighborhood processes, social networks, family and partnerships, and bio-social interactions, on life trajectories and the aging process.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
