

SOCI 502. SOCIOLOGY OF FERTILITY.

Credits: 3

Offered by: Sociology (Faculty of Arts)

This course is not offered this catalogue year.

Description

An upper-level course that will cover the major theories and findings from the social scientific study of fertility behavior. Readings and discussion will focus on the causal linkages between social change and transitions in fertility behavior. We will examine contemporary and historical fertility behavior and transitions across the globe.

- Restriction(s): Open to graduate students and final year undergraduates

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
