

URBP 623. PLANNING STUDIO 2.

Credits: 6

Offered by: Urban Planning (Graduate Studies)

Terms offered: Winter 2026

View offerings for Winter 2026 in Visual Schedule Builder.

Description

Research and planning techniques for land development. Students work in teams to do research on context, program and precedents and develop a detailed plan for a site that poses urban and/or environmental challenges. Topics: site analysis, market analysis, and financial analysis; land-use regulation, real-estate development, residential planning, and housing policy; data collection and analysis, design and evaluation of alternatives, and project implementation.

- (1-5-12)
- Prerequisite: URBP 622

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
