

URBP 625. PRINCIPLES AND PRACTICE 2.

Credits: 2

Offered by: Urban Planning (Graduate Studies)

This course is not offered this catalogue year.

Description

This six-week intensive course exposes students to issues and techniques which are applicable in diverse professional planning contexts that vary in terms of their subject matter, location, scale and the role played by planners. The course focuses on a specific case study and is taught by a visiting lecturer with experience in the selected subject area. Course topics are systematically varied over a two-year cycle.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
