## Description

Key strategies for academic writing across disciplines: reading scholarly texts for structure; applying these structures in writing assignments; developing vocabulary building strategies; identifying and practicing nuances of scholarly English syntax. Self-editing techniques to avoid common English-as-Second-Language (ESL) errors; review of English grammar and mechanics.

- Restriction: Not open to students who have taken CESL 641.
- Intended for graduate students whose first language is not English.
- Grading in course is pass/fail.
- Due to the condensed nature of this course, the standard add/drop and withdrawal deadlines do not apply.

Most students use Visual Schedule Builder (VSB) to organize their schedules. VSB helps you plan class schedules, travel time, and more.
