

PLACEMENT TESTS FOR THE CERTIFICATE IN PROFICIENCY IN ENGLISH – LANGUAGE AND CULTURE

The purpose of the placement test is to assess a student's level of language proficiency. The results of the test are valid for one year. Taking the test does not guarantee a place in a course. New students are required to take the test before they can register for their courses. Students who have not taken courses in the Global and Strategic Communications domain within one year are required to retake a placement test.
