

ACCOUNTING (GR. CERT.) (30 CREDITS)

Offered by: Administration & Governance

Program credit weight: 30

Program Description

The Graduate Certificate in Accounting focuses on the core competencies in accounting, including financial accounting, managerial accounting, taxation, auditing, and accounting information systems. This program is a preparation program for the CPA Professional Education Program (CPA PEP), to become a Chartered Professional Accountant (CPA).

Note: For information about Fall 2025 and Winter 2026 course offerings, please check back on May 8, 2025. Until then, the "Terms offered" field will appear blank for most courses while the class schedule is being finalized.
