

ADVANCED BUSINESS MANAGEMENT (GR. CERT.) (15 CREDITS)

Offered by: Management & Entrepreneurship
Program credit weight: 15

Program Description

The 15-credit Graduate Certificate in Advanced Business Management delves into the competencies and tools needed to identify, evaluate, and provide solutions for challenges throughout key areas of business management. Using a combination of academic and applied learning, the program examines subjects such as business intelligence and analytics, contemporary finance, and strategic management. Complete both the Graduate Certificate in Business Management and the Graduate Certificate in Advanced Business Management fulfils the Canadian Institute of Management's academic requirements for the Chartered Manager designation.

Note: For information about Fall 2025 and Winter 2026 course offerings, please check back on May 8, 2025. Until then, the "Terms offered" field will appear blank for most courses while the class schedule is being finalized.
