

DIGITAL HEALTH SOLUTIONS (GR. CERT.) (15 CREDITS)

Offered by: Administration & Governance (School of Continuing Studies)

Program credit weight: 15

Program Description

The online Graduate Certificate in Digital Health Solutions offers a comprehensive introduction to Health Tech, focusing on the digitization of the healthcare sector. The program provides the necessary knowledge and skills for the application of Artificial Intelligence (AI)-based technologies in healthcare, the constantly advancing technology, and developing innovative solutions to the current and future healthcare sector challenges. Topics include leading change, exploring artificial intelligence and data governance in healthcare.

Note: For information about Fall 2025 and Winter 2026 course offerings, please check back on May 8, 2025. Until then, the "Terms offered" field will appear blank for most courses while the class schedule is being finalized.
