

ANIMAL SCIENCE (THESIS) (M.SC.) (45 CREDITS)

Offered by: Animal Science (Faculty of Agricultural and Environmental Sciences)

Degree: Master of Science

Program credit weight: 45

Program Description

The MSc in Animal Science is a 45-credit, research, thesis- based program. Research can be in any relevant area of animal science under the supervision of an appropriate departmental academic staff member. The program provides a solid background in an area of animal science, critical thinking, leadership and science communication.

The program typically takes 2 years to complete.

Note: For information about Fall 2025 and Winter 2026 course offerings, please check back on May 8, 2025. Until then, the "Terms offered" field will appear blank for most courses while the class schedule is being finalized.
