

# HUMAN NUTRITION (NON-THESIS): DIETETICS CREDENTIALING (M.SC.A.) (83 CREDITS)

**Offered by:** Human Nutrition (Faculty of Agricultural and Environmental Sciences)

**Degree:** Master of Science Applied

**Program credit weight:** 83

## Program Description

The M.Sc.(Applied) in Human Nutrition; Non-Thesis – Dietetics Credentialing includes competency-based professional practice (Stage) experiences in clinical nutrition care, public health nutrition, food provision management and research. The program focuses on nutrition and food expertise, leadership, communication, management skills and critical thinking. This program is accredited by Accreditation Canada, and graduates apply to the Ordre des diététistes-nutritionnistes du Québec (ODNQ) following the "règlement sur les normes d'équivalence de diplôme et formation" application procedures. Graduates from the program meet all the standards and requirements of this professional order (ODNQ) and are eligible to apply to any other regulatory body in any other province in Canada.

**Note:** For information about Fall 2025 and Winter 2026 course offerings, please check back on May 8, 2025. Until then, the "Terms offered" field will appear blank for most courses while the class schedule is being finalized.

## Required Courses (77 credits)
